## President's Message

*Matthew Felgus, MD*

Hello fellow WISAM members,

We have had some changes to the WISAM [Board of Directors](#):

- Dana Marlowe, MD is now our Early Career Representative
- Subhadeep Barman, MD is now the Secretary

I would like to extend a welcome to Dana and Shubh as well as much appreciation for volunteering their time to serve. I would also like to thank our outgoing Board members, Ying Wang (who has started an Addiction Fellowship in New York) and Agron Ismaili, for their service over the past year.

I am looking forward to seeing many of you at the Annual Conference, September 27-29 at the Pyle Center in Madison. I know we're still enjoying the summer, but don't forget to [register!](#) (Separate registration is required for our day of [Clinical Workshops](#) on Saturday, Sept. 29).

Best,

Matt Felgus, MD FASAM  
President, WISAM

## June Monthly Teleconference Summary Available

Thanks to all who were able to join the WISAM conference call on June 28th, moderated by Matthew Felgus, MD, WISAM President. The call provided a timely discussion on a number of important topics, both clinically and regarding educational opportunities. Please read the [June call summary](#).

There are no calls scheduled for the next couple of months, but we hope that you'll join us in September in person at the [WISAM Annual Conference](#) in lieu of a call. The next teleconference call will take place on Thursday, October 25.

## 2018 Webinar Series Update: Treatment of Substance Use Disorders in Primary Care

If you haven't been able to attend the live, in-person recordings of the first two sessions of the WISAM 2018 Webinar Series in Madison, it's not too late to participate. Recordings of all four sessions will be posted 1-2 weeks following the live session, and will remain available on-demand for at least one year. Participation is complimentary, and 1.0 CME Credit is available for each session by completing a post-test and evaluation. View recorded webinars, and learn about upcoming sessions [here](#).

## Membership Survey - Final Reminder

If you haven't done so already, please take three minutes of your time to complete the annual WISAM Membership Survey. Responses will be used to inform the organization's ongoing planning, and will allow us to evaluate and enhance member value. Thanks in advance for your input, and thanks for your membership!
